

§ 805-28. Tow zone.

- A. Any Way, as defined in RSA 259:125, as amended, shall be considered a tow zone for illegally parked motor vehicles, provided that "No Parking" signs are erected on said way.
- B. The provisions of this section shall also include areas designated as fire lanes in accordance with the NFPA 1 (National Fire Protection Association) Uniform Fire Code, most recent edition, as adopted by the State of New Hampshire under administrative rule, where the parking of a vehicle is prohibited on either side or both sides of the way.
- C. The provisions of this section shall also include areas designated as emergency lanes in accordance with RSA 231:59-a as adopted by the Town.
- D. Any vehicle parked in violation of this article or otherwise illegally parked or for which a parking violation ticket has been issued shall be subject to being towed by order of the Hampton Police Department at the expense of the owner or custodian of the vehicle.

§ 805-29. Severability.

If any section or part of a section or paragraph of this article is declared invalid or unconstitutional, it shall not be held to invalidate or impair the validity, force or effect of any other section or sections or part of a section or paragraph of this article.

§ 805-30. Authorization of renumbering of all references.

This section authorizes the renumbering of all references to the previous article within the Hampton Code of Ordinances and in all corresponding articles and other sections of this article to reflect the numbering of this article.

§ 805-31. When effective; repealer.

This article shall become effective upon its adoption, and all previous ordinances and regulations on this subject shall be automatically repealed upon its approval.

ARTICLE IV**Stop and Yield Intersections; Turns**

[Adopted as Ch. 3, Arts. 6 and 10, of the Code of Ordinances, as amended through 07-13-2015]

§ 805-32. Stop intersections.

Subject to the approval of the State Highway Commissioner, as to the specifications for stop signs, the Board of Selectmen of the Town of Hampton has hereby established the following stop intersections. All traffic shall stop on the following designated stop streets, as indicated by signs, when proceeding in the direction of travel indicated, before entering, including crossing, the following designated through streets:

§ 805-33. Yield intersections.

Subject to the State Highway Commissioner, as to the specifications for yield signs, the Board of Selectmen of the Town of Hampton has hereby established the following yield intersections. All traffic shall yield on the following designated yield streets as indicated by signs, when proceeding in the direction of travel indicated, before entering, including crossing, the following designated through streets:

Yield Street	Direction of Travel and Through Street
High Street	Southwesterly before entering Ocean Boulevard
Little River	Road Northeasterly before entering Barbour Road
Winnacunnet Road	Westerly before turning left onto Park Avenue

§ 805-34. Turning restrictions.

A. No left turn:

- (1). Ashworth Avenue: right lane from Q Street to Duston Avenue.
- (2). Church Street: entering Brown Avenue.

B. Turn lane only:

- (1). Ashworth Avenue: left lane from Q Street to Duston Avenue.

C. Right turn on red prohibited. It shall be unlawful to make a right turn on a red signal at the following intersections in the Town of Hampton when proper signs are posted:

- (1). High Street at Mill Road (four ways).
